Subject: Thank You for Supporting Women Build

Hello [Name],

I wanted to personally thank you for your generous support of my Women Build fundraiser. Your gift truly means so much to me.

Because of you, we are one step closer to helping a local family build strength, stability, and self-reliance through affordable homeownership. Women Build is such a powerful reminder of what happens when women come together to lift up families and strengthen our community — and I'm so grateful to have you as part of that effort.

Thank you for believing in this mission and for supporting me. I can't wait to share updates from the build along the way!

With sincere gratitude,
